

IT'S A KNOCKOUT

The Bronze Show

Information Sheet for the Knockout Challenge "Bronze Show".

Our Bronze Show has seven games and is an excellent package for the slightly smaller event or for clients booking knockout for the first time. Although this is a smaller set of equipment when compared with our Silver or It's A Knockout Olympics, the games still have great knockout fun with water, costumes and inflatable obstacles.

The Bronze Show needs just under half the size of a soccer pitch in space to look its best and can be likened to a "small Silver Show". With 12 teams participating the Bronze Show can last up to 3 hours if required.

Extra games can be added plus more teams catered for as well. However for events of over 18 teams, we would recommend (if possible) our bigger Silver Show or Gold Show.

The games listed to the right are a suggestion of a great balanced set of activities. Other games are available.

A sample games list:

Animal Jigsaws.

A good first game. The team collect large jigsaw pieces to assemble on the inflatable wall.

The Doughnut Delivery Game.

A good team together game with everyone lifting a large inflated ring and taking it down the course and over inflatable walls without dropping it.

Easy Ski-si.

A two part team game with the familiar welly-ski planks. A very funny game and not as easy as it sounds or looks.

P-P-Penguin Dash.

A dressing up game with large sumo-style penguin suits. The teams help "Pingu" collect his food.

Hello Ducky.

A family of rubber ducks and their pond water need to be re-housed on the other side of our "climb-through Holes" inflatable.

The Slide of Doom.

Using our double sided slide with gunge pit, the teams collect rings and bring them back with a wet twist and extra fun element added.

Animal Quakers.

A funny lucky game to finish with. In relay the team collect different coloured ducks (all worth different amounts of points) from the foam pit.

Also available as a ten game package.
