KNOCKOUT OLYMPICS

The Knockout Challenge "It's A Knockout Olympics".

Getting ready for 2012 and NEW FOR 2011 Knockout Challenge is pleased to be able to offer this all new set of themed games called The It's A Knockout Olympics.

With over £30,000 worth of new colourful sparkly inflatable obstacles, these all new games offer a great unique twist on It's A Knockout. The eight fun-filled games are the same standard and scale as our Silver Show and are ideal for fundays, Team building and other events.

The games need just over half the size of a soccer pitch in space to look their best.

With 12 teams participating the It's A Knockout Olympics can last up to 4 hours if required. Extra teams can be catered and the games expanded to a ten game format.

The games list to the left is just a brief explanation. For the full low-down of the games in this new package please contact us.
