

IT'S A KNOCKOUT

The Silver Show

Information Sheet for the Knockout Challenge Silver Show.

Our Silver Show is a great eight game package full of fun, excitement and colourful inflatable obstacles. It needs about around half the size of a soccer pitch in space to look its best. The games are a combination between team, relay, inflatable, dressing-up, wet and dry games. This eight game set offers a balanced package of activities and tasks and with 12 teams participating it can last up to 4 hours (if required).

More games can be added and extra teams can be catered for as well. However for events of over 24 teams, we would recommend (if possible) our bigger Gold Show.

It can be run "dry", so is suitable for indoor venues and hard-standing areas. The games listed to the right are a suggestion of a great balanced set of activities. Other games are available. Wet / dry games can be substituted for each other.
